# LISA SONG SUTTON

★★ FOR CONGRESS DISTRICT 4 ★★

## **Former Nevada Republican Party Chair Amy Tarkanian endorses Lisa Song Sutton for Congress**

*Conservative businesswoman and entrepreneur gains major endorsement;  
Momentum continues to build in Sutton's campaign.*

(North Las Vegas, NV) – Today, conservative entrepreneur and candidate for Nevada's 4<sup>th</sup> Congressional District Lisa Song Sutton announced that she has earned the endorsement of Amy Tarkanian, former Chairwoman of the Nevada Republican Party. Tarkanian, pointing to Lisa's strong work ethic, community engagement and her fresh perspective to politics and this race for Congress, will become a Co-Chair of Lisa's campaign for Congress through the primary and general election campaign.

*"As a longtime Nevadan and former Chairwoman of the Nevada Republican Party, I am proud to offer my enthusiastic support for Lisa Song Sutton in her campaign for Congress," Tarkanian stated. "Lisa represents a new generation of Republican leaders we so desperately need in our party and in our state. She is an innovator who has brought a fresh perspective to business, leadership, community engagement, and now, Nevada politics. As a wife and mother who puts my family first, Lisa's extensive work with our schools and non-profit organizations shows me that she also has the heart to represent Nevadans in an inclusive and meaningful way. Her candidacy shakes up the status quo and there is no doubt that Lisa is by far and away the best Republican to support in this race against current Congressman Steven Horsford. I urge my fellow Nevadans to join me in supporting Lisa Song Sutton for Congress."*

*"I am so honored and humbled to have earned Amy's support in my race for Congress," stated Sutton. "Further, we are thrilled that Amy has agreed to serve as a Co-Chair of our campaign, who will be able to provide guidance,*

*support and encouragement along the way. Her support is invaluable to me and our entire campaign team.”*

Lisa’s campaign continues to gain significant momentum, gathering endorsements across the district and just recently reporting her FEC report showing **she is the only Republican candidate in the race for the 4<sup>th</sup> Congressional District with no debt, a six-figure cash-on-hand balance, and contributions from donors in all 50 states**, a demonstration of not only local but strong national interest and support.
